ACHIEVER'S

PATENT ACHIEVED BY DR. NILESH MHATRE 'AN IOT BASED HEALTHCARE MANAGEMENT INFORMATION SYSTEM' (Patent number: 2021102846)

The present invention relates to an IoT based healthcare management information system. This **Innovation Patent** (IP) has been granted by **Australian Patent Office** on **30 June 2021**.

Herein personal health records (PHRs) are designed to maintain lifelong details of patients. Automated Patient Identifier and Patient Care System is implemented to count hospitalized patients based on the concept of Current Procedure Terminology (CPT) manager.

Present invention, in general, relates to the field of Artificial Intelligence (AI) and more specifically to an **IoT** (Internet of Things) based healthcare management information system and method there of which precisely use for healthcare management. Hospitals or Doctors can track their patients at any moment from anywhere.

The team of economics teachers have contributed an economical aspects of the project with special reference to the information economics more specifically from asymmetric information point of view. We the team of Economics teachers have specifically contributed to the importance of this project from Health insurance companies perspective. This invention will be helpful for the health insurance market to identify the honest and dishonest insurance costumers. Also we did some gap analysis through literature review which gave our team some insights to work on some suggested area of research.

It is recommended in this invention that health insurance companies may use the PHR Machine to engage customers and indicate their intentions to provide the right care at the right price at the right time in the right place using cloud-friendly tactics (e.g. price and outcomes transparency). This necessitates aligning the objectives and actions of health companies with the interests of patients, which is difficult but vital.

Trustee's Message

I take this opportunity to congratulate the teachers, students and parents who have taken an extra ordinary challenge on account of COVID-19 and turned it into an opportunity. They have proved that once a woman makes up her mind, there is nothing to stop her from achieving the impossible! Everyone adapted to new modes of teaching-learning and examinations. A holistic approach to education is crucial, especially in times of crisis. We, the management is happy that we could provide an overall academic environment which is conducive to learning for all our teachers and students. This magazine serves like a Year Book for the students of this institution. Kudos to the contributors for their rich contributions and the editorial team for bringing out this issue as per schedule, which in itself is an achievement considering the prevalent pandemic and the effort and time required to prepare the magazine.

Best Wishes!

Smt. MEENA KHETANI
Managing Trustee

From the Principal's Desk

Times of crisis ought to inspire creativity, critical reflection, transformation and renewal. In the new normal, the challenge is to adapt, regenerate and position the college for a strong and sustainable future. The pandemic and the extended lockdowns have changed the role of teachers. Needless to say, the pandemic transformed traditional physical classroom to the digital one. The teachers took to this change as a challenge to devise ways to drive engagement while ensuring inclusive e-learning solutions. We are learning how adaptable and resilient educational systems, policy makers, teachers, students and families can be. This has led the students to take it as a challenge and come out successfully which is reflected in their examination results.

The issue unleashes a wide range of creative skills from writing, compiling, editing and designing the magazine. I appreciate the efforts of the contributors and congratulate the magazine editorial team for their hard work and dedication that has resulted in the publication of Aalekh 2020-21.

Best Wishes!

MY MIGHT

One day you left me forever!
and became alive for me forever!

There is no moment
that I don't miss you!
What was and is a bliss to me you!

In you I have a complete faith!
You taught me that a person can live after death!

You are an epitome of the love endless!
The heart warm with fathomlessness!
I miss you I go wherever!
I miss you I do whatever!
I miss you I work whenever!

It is your presence
Teaches to fight me without pretence

You have been and you are my guiding spirit!
I know your immortal soul listens to it!

Many battles were to fight!
At that time you were my might!
Aai, so many battles are still to fight!
Your light of soul is burning bright!

Days by gone when I try to efface!
Tears roll down on my face!
Give me the strength to win the race!
As I have a mother like you with God's grace!

How much a person can suffer?
and still be like a buffer!
You taught me to fly in the air!
It is you who made me to stand in this fair!

You gave me a touchstone of life!
Which is guiding me in my strife!
You gave me an emerald, a ruby, a sapphire!
Kindly accept my wordly attire!

Please accept my tribute- offerings
My mind hums for your cordial blessings!

Life

Life is beautiful, admire it
Life is an opportunity, don't miss it
Life is a dream, realise it
Life is a challenge, accept it
Life is a duty, do it
Life is a game, play it
Life is a promise, keep it
Life is a sorrow, overcome it
Life is a song, sing it
Life is a struggle, fight it
Life is a tragedy, confront it
Life is an adventure, dare it
Life is too precious, don't destroy it
Life is a life, live it!

Ms.Vinita Shrimali (S.Y.B.M.S)

Trees

Roles of trees are more than one,
If there had been a competition, they would have won.
They act as a base for nest of birds,
They are the first who hear hatchling's first words.

They are animals' shelter,
To protect them from days of sunny, rainy, and winter.
They are natural filter for air,
Everything they have, they always share.

They give shade to everyone who is tired,
They are the ones who burn by fire.
They give oxygen to us,
And they are the ones who are cut by us.

They play their role even after they die,
Their woods are used to make furniture and fixture by.
They are an important part of nature,
They are god's the best creature.

प्रकृति का प्रवाह

हर शाख, हर डाल, हर पेड़ की उन पत्तियों में,

खुशबू है माँ के जैसी, जो मुस्कुराती हर परिस्थितियों में।

नीम की सख्त डालियों पर पसीना मेरा था छुटा,

बरगद की डालियों से, नाता मेरा नहीं है टूटा।

वृक्ष की छाँव तले, बचपन हमारा बीता था,

आम से पेट की भूख मिटती, मगर संतरा भी कहा कम मीठा था।

आँधी चाहे तो पल में सबको तबाह करे,

बारिश चाहे तो सबको बेसहारा करे।

प्रकृति के आगे चली न किसी की,

जो मई को जून और जून को मई करे।

रेत का बहना हाथों से समय की तरह मन को कुछ यूँ बहलाता है,

जंगलों का वो मजा अब शहरों में कहाँ आता है ?

सुबह की धूप दिल को खुशनुमा करती है,

सोलर की धूप दिल को खुशनुमा करती है,

सोलर पैनल से धूप का मजा कहाँ मिल पाता है ?

समुद्र की गहराई में छुपे कई राज हैं,

प्रकृति का इंसान पर एहसान बेहिसाब है।

उगते सूरज की लालिमा दिल के आँगन को खिला देती है,

मगर आई जब सर्दी - अच्छे अच्छों के दाँत कुड़मुड़ा देती हैं।

सफेद बर्फ की नई परत घर को श्वेत महल सा बनाती है,

हर घर की नई सुबह भोर के अंधेरे में जगमगाती है, जगमगाती है!

Ms. Khushboo Gorai
BMS (2017-18)

Khushboo has been a college regular from the beginning, being at the core of various college fests, internships, seminars and many co-curricular and extracurricular activities. She was a sincere class representative in the first and the third year and the BMS General Secretary in the second year of her degree.

After college, she pursued MBA in Human Resources from Welingker Institute of Management, Mumbai and went on to gain four years' experience in IT sector. Today at Accenture Pvt Ltd, Mumbai she is working as a Senior HR coordinator.

She believes that one should never compete with others, compete with own self, strive to break their own goals and benchmarks. She advises young students to work hard, study hard and give equal importance to extra-curricular activities because it is the real essence of a learner's life.

SUCCESS STORY

Ms. Srushti Bankar
BMS (2019-20)

Srushti was a student from a middle class farmer family and had a lot of financial and family problems. Her parents supported her from her village and she was living in Mumbai to pursue studies. In the beginning she came across as a meek, shy child and did struggle with language and communication initially. She found her way through it all by herself and began to participate in class on a daily basis. She often came up with innovative

ideas and solutions to many issues. She soon became a class favorite.

Srushti has been successful in terms of education, career values and learning. She fought against odds and today is Floor coordinator at SBI Bank, Mumbai where she has been awarded several times for her healthy interactions with customers. She wishes to give her fullest to enhance her performance at SBI and continue to make her family, friends, college and organization proud. She thanks Smt. P. N. Doshi Women's College for helping her to find her true potential and becoming a successful professional.

SUCCESS STORY

Pooja Yadav
BAF (2020-21)

Hello, My name is Pooja Yadav I have completed my graduation in Bachelor of Accounting and Finance from Smt. P. N. Doshi Women's college with B+ grade in the year 2021.

I would like to thank my teachers and all the supporting staff of my college who encouraged me during my bad times. Whether my problem was related to my college fees or my studies. College provided me with scholarship which helped me to pursue my higher education without any stress. Since I was from middle class family and my father was only earning member in the family of five, this support proved a big help to us. Apart from studies, my teachers supported me in other activities, from their support I got Best NCC Cadet Award in the year 2019-2020. After completing graduation, college provided me placement in Smt. P. N. Doshi Women's College itself. Currently I am working as an Administrative Staff under the Department of BAF.

I would like to thank my mentors and my college from bottom of my heart because they are the reason behind my success.

Madam and Anu madam for being the best teachers of our BAF department. They have been always like a caring mentor to all of us. The college has always worked towards our good and making each and every girl strong here.

Since I am from a middle class family and completing my graduation with a specialization course was not so easy. My father being the only bread winner for our family of five, things were really difficult at times. The college every year gave a few students the examination fees scholarship where the student has to not pay the examination fees. I received this scholarship and it was really very helpful for me during my degree college. Currently I am working as an Accountant in Integrated Automation system. I would like to thank the college for playing such an important role in my life for making me who I am today. A Big THANK YOU !!

SUCCESS STORY

Ms. Shodhika Rajmane
BCA (2020-21)

It was a great experience of learning in this institution which taught me every aspect of life. Teachers were supportive and very encouraging who always motivated us to implement new ideas. Our college provides facility of loan for students with zero percent interest as well as they provide various scholarships for Students who were financially challenged. Our college provides best placement as well as they come up with many different internships, seminars. College helped me to get placed in MNC Companies by providing employability training which has huge demand in IT sector. Placement team is very active and supportive. I got placed in Wipro infotech as a scholar trainee, along with job company is offering MTech degree and it was the happiest moment because I am the first graduate from my family. My father was a farmer and currently, he is no more. My mother was the only earning member in my family so I opted for BCA course and I secured the degree and completed my graduation in the most interested field of mine.

SUCCESS STORY

Ms. Sadaf Siddiqui
(BCA 2020-21)

Spending my three years of life as a B.C.A. Student at Smt. P. N. Doshi Women's College, Ghatkopar was the best time where I got to learn a lot of new things. It helped me to build my personality but also created a path for my future. It was not always about academic performance but also to actively participate in the college events. the Management, teaching and non-teaching faculties are there for us to assist and provide the solution. College provides loan and scholarship facilities for needy students. Other than studies and other benefits, the college provides good placement opportunity for the students. I got placed in Wipro infotech through campus interview as a scholar trainee. This is like my dream come true which allows me to serve the field of my passion and Contribute my best to the nation. I am sincerely grateful to my beloved SPND family for this.

I am Meenu Mourdharya and I belong to a typical marwadi family. It was a great opportunity for me to study at higher level and be a first post graduate in my whole family of five branches. I became a part of Smt. P. N. Doshi Women's College, Ghatkopar in 2014 by taking admission for B.Com. I secured my B.Com degree (Computer Specialization) in 2018. It was an academic journey with lots of fun and securing many prizes. I became Class Representative and General Secretary for two years which made me more confident and boosted my self esteem. I participated in various extracurricular activities, workshops, seminar and conferences during my student life. I secured third rank in M.Com. I and second rank in Mcom II. I submitted successfully my research book with the title "A Study on Consumer Awareness with regards to Menstruation Products other than Sanitary Napkins". I attribute all my success to my parents, siblings and Thank you Smt. P. N. Doshi Women's College for making me a better person every day.
