

Shri. Ashwinbhai Mafatlal Mehta Ph.D. Research centre

A Ph.D. is recognized postgraduate academic degree awarded by SNDT Women's University and affiliated institutions of Higher Education to a research scholar who has submitted a thesis, based on extensive and original research in their chosen field. The Ph.D. degree involves research training leading to a professional research qualification. It calls for an in-depth study in their respective discipline.

Our college has Shri. Ashwinbhai Mafatlal Mehta Ph.D. Research centre, it was inaugurated on May 31 2023 which offered Ph.D. degree in Commerce and management subject. Our Ph.D. Research Centre is affiliated with the SNDT Women's University (Churchgate campus). Research scholars can study various subjects such as Accountancy, Taxation, Costing, Business policy and Administration, Banking, Finance and Business Management, Marketing and Human Resource Management.
