

## Feedback on Curriculum

Smt. P. N. Doshi Women's College aims to offer the best possible environment and learning experience to encourage students to perform to their full potential for academic achievement. Students, teachers, parents and alumni and play an important role in the evaluation, development and enhancement of the quality of this learning experience. Feedback from students, teachers, parents and alumni helps the college to evaluate how its service policies and make changes as per stakeholder's requirements. Industry experts or employers play an important role in the evaluation, development and enhancement of the quality of the learning experience. Feedback from the employers helps the college to evaluate the courses and learning experiences to make changes as per the industry and stakeholder's requirements. Opinion of these stakeholders on the course is valuable for us. This feedback is substantial for providing inputs regarding improvement in facilities. Therefore, Feedback from students, teachers, parents, alumni and industry experts was collected and analysed under the supervision and guidance of IQAC. The same is reported to the Principal and concerned authorities.
