1.4.1 Feedback about the Course and Curriculum (2022 -2023)

Smt. P N Doshi Women's College is continuously striving to provide the best possible opportunities for learning in order to maximise the potentials of each student in academics and development of a holistic personality. This is ensured by focussed planning implementation of innovative pedagogy and a 360-degree evaluation and feedback from all the stakeholders-Students, Alumni, Parents, Teachers and Industry professionals where our students undertake internships. Feedback from the stakeholders plays an important role in the evaluation. development and enhancement of the quality of the learning experiences provided by the institution through Curriculum. This also helps the college to evaluate how its courses are experienced by the stakeholders and suggest changes as per their feedback. Opinion of these stakeholders on the Curriculum and courses is valuable for us. This feedback is substantial for providing inputs regarding improvement in course work for both theory and practical. In this context, feedback from students, teachers, parents, alumni and industry experts was collected and analysed.
