

UNNAT BHARAT ABHIYAN (UBA)

Report on Installation of Solar Streetlights at Adivali

Date: February 24, 2025

Location: Adivali

As part of the sustainable development initiative under the Unnat Bharat Abhiyan (UBA) cell of Smt. P. N. Joshi Women's College, Ghatkopar (W), Mumbai, eight solar streetlights were successfully installed in Adivali on February 24, 2025.

The installation ceremony was graced by Trustee Shri Bhaveshbhai Vora, Principal Dr. Asha Menon, Dr. Vinod Zalte, Dr. Santosh Vadrya, Adivali Sarpanch Shri Kamalakar Raut, and peon Mr. Sandip, along with enthusiastic participation from local villagers.

This initiative aims to enhance rural infrastructure, promote renewable energy, and contribute to environmental sustainability. The newly installed solar-powered streetlights will significantly improve safety and mobility for the residents of Adivali, especially during nighttime.

The event concluded with appreciation for the efforts of the college and the community in fostering sustainable development.
