### ABOUT SHRI PANDIT RATNACHANDRAJI JAIN KANYASHALA TRUST

The SPRJK trust has completed 100 years of serving the nation. Since the last ten decades, the Trust has worked determinedly in the spheres of education, especially for needy, underprivileged women by providing them access to free/subsidised education.

SPRJK Trust has evolved since 1942, from a small Jain Pathshala, imparting religious education to 5 girls, to a multi-disciplinary educational academy imparting education from kindergarten to post graduate programmes, and vocational courses to more than 7000 girls without any discrimination of caste or religion!

The Trust also provides sponsorships, scholarships, free books, free uniforms and clothes, free meals and free medical aid to its needy students.

*Smt. P. N. Doshi Women's College established in 1960, is managed by SPRJ Kanyashala Trust and conducted by Sarvajanik Education Society. We strive to promote healthy all round development of girls, who are the future of our country. We want them to be a source of strength to their families, their communities and to the nation. We provide education supported by various Financial Schemes to nearly 5000 girls through our Junior Colleges (Recognised by State Board), Degree Colleges and Post Graduate Departments (Affiliated to SNDT Women's University), Ph. D. Centre (Commerce) and Career Institute, all under one roof.*

## **Vision**

To be recognized as a centre of excellence for women's education that empowers them to become self-reliant and responsible citizens who would contribute to build a healthy society.

## **Mission**

To provide quality multidisciplinary skill-based higher education, to strengthen scientific outlook among students, grooming them to acquire global competencies and catering to the diverse needs of students through an inclusive approach and holistic development by creating conducive eco-system.

## **Objectives**

- To offer equal opportunities to students from diverse backgrounds
- To instill a sense of responsibility towards self and society
- To emphasize student centric approach to inculcate self-efficacy
- To offer employability skills and entrepreneurship opportunities leading to economic independence
- To focus on comprehensive holistic development by creating a conducive eco-system

**E**ducation is the cornerstone of a progressive society, and our institution remains committed to providing quality education that is relevant, inclusive, and future-oriented. As a governing body, we take pride in supporting an academic ecosystem that encourages excellence, innovation, and integrity.

The autonomous status of the college reflects its academic maturity and commitment to continuous improvement. It empowers the institution to design a curriculum that is responsive to the changing needs of society and industry, while maintaining the highest standards of quality.

We firmly believe that education should nurture not only intellectual growth but also values, ethics, and social responsibility. Our aim is to support the all round development of students who can contribute meaningfully to society and uphold the ideals of our institution.

I also encourage our students to make the most of the opportunities provided, strive for excellence, and bring pride to the institution.

I extend my best wishes to all for a successful and enriching academic year.

Smt. Meena Khetani  
Managing Trustee

**A**s an autonomous institution, we are entrusted with the unique opportunity to design and deliver a curriculum that is dynamic, relevant, and aligned with the evolving demands of higher education and industry.

Our commitment to quality education is reflected in our continuous efforts to strengthen teaching-learning processes, promote research and innovation, and adopt best practices in governance and administration.

We strive to nurture not only academic excellence but also ethical values, social responsibility, and global competencies among our students. Through a blend of curricular, co-curricular, and extension activities, we aim to foster holistic development and prepare our students to become responsible citizens and lifelong learners.

The autonomy granted to us enables innovation in curriculum design, flexibility in evaluation, and responsiveness to emerging trends. We remain committed to maintaining transparency, accountability, and inclusivity in all our academic and administrative processes.

I extend my best wishes to all students for a productive and successful academic year.

Dr Asha Menon  
Principal
